Bangkok, Thailand

SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide.

About Conference

The **International Conference on Cosmetology and Skin Care** will be held on **November 16-17, 2026**, in **Bangkok, Thailand**, bringing together international professionals dedicated to advancing cosmetic science and skin health. This conference serves as a global meeting point for researchers, clinicians, academicians, and industry specialists to exchange ideas and examine the evolving landscape of modern cosmetology.

Aligned with the theme **“Next-Generation Cosmetology: Research, Technology, and Outcomes,”** the conference emphasizes research-driven innovation, advanced aesthetic technologies, and outcome-focused skin care solutions. Discussions will cover developments in aesthetic dermatology, non-invasive procedures, personalized skin treatments, and scientific progress influencing cosmetic practice.

The scientific program features keynote lectures, expert panels, interactive workshops, and research presentations, creating opportunities for collaboration, learning, and professional growth. This conference aims to support innovation, encourage knowledge sharing, and promote safe, effective, and forward-thinking practices in cosmetology and skin care.
